

To Nodal Officer
SBI Credit card

Respected sir / madam,

Applicant Is 77 years old Bhagwat Singh Rathore and well Qualified.
Sir I have suffered a Cyber Crime on Card Number: 4726 4275 8463 5379

Dated: 28th March 2022 for Rupees 14,563 and at the same time,
I suffered approx. 30,000 from my Savings account too.

I have reported this matter to the Police, SBI Bank, and Customer Care service but they are Fulfilling their responsibility.

Sir instead of solving the matter from your end i.e. credit card I am receiving several messages for recovery of Rs.33,283 in the manner of various Threatening, nobody is there to listen over this topic.

Sir, I have been using this card from 2017 and I have never been defaulted except this Cyber Crime for which I am not responsible.

My Advocate already issued a legal notice to credit card over this issue.

It has come to my notice that credit card has referred my case to CIBIL for which I am not in position to avail interest subsidy from the Bank for my Housing Loan Account.

Sir, may I take this opportunity to request yourself to get this matter sorted out so that I can avail the interest Subsidy from the bank.

Thank You for Your Attention to the matter.

Yours Faithfully
Bhagwat Singh Rathore
